

Foreclosurescape

Online Registry Support for Vacant and Foreclosed Properties

Help your jurisdiction collect, manage, and renew vacant and foreclosed property registrations through a simple, configurable online portal.

Online Registration

Guide registrants through property search and online registration.

- ✓ Property search
- ✓ Guided registration flow
- ✓ Registrant information
- ✓ Late-fee rules, if needed

Configurable Program Setup

Configure workflows to match local ordinance requirements.

- ✓ Local ordinance links
- ✓ Custom requirement language
- ✓ Configurable fees
- ✓ Property details

Payments & Renewals

Support payments, renewals, and registration updates in one workflow.

- ✓ Online payment support
- ✓ Check-payment instructions
- ✓ Renewal workflows
- ✓ Registration updates

Registry Data & Reporting

Give jurisdiction access to registration activity, exports, and reporting.

- ✓ Registration review
- ✓ Registry exports
- ✓ Reporting support
- ✓ Support visibility

Best for jurisdictions adding vacant or foreclosed property registration to their Deckard Technologies compliance program.

Ask Deckard Technologies how Foreclosurescape can simplify your vacant and foreclosed property registry.
